

A New E.R.

For You.
For the Community.
For the Region.

You may never need to enter our doors, but if you do, statistically the most common access point is through the Emergency Room. In fact, a combined total of more than 46,000 people passed through the ERs of The Kingston and Benedictine Hospitals in 2008.

More than ready.

With the 8,000 sq-ft Emergency Department expansion on HealthAlliance of the Hudson Valley's Kingston Hospital Campus, we will be more than ready. The expansion nearly triples the size of the former space, and includes 15 additional exam rooms, three resuscitation rooms, two new triage rooms, two isolation rooms, a cardiac room, a new waiting room and a new main lobby. This will be the highest-capacity ER in any hospital from Albany to Manhattan.

The Kingston Hospital Campus Emergency Department is already an award-winning designated Stroke Center, and the Hospital is an accredited Chest Pain Center and a designated Wound Care Center with hyperbaric chambers.

This all means one thing: when an emergency strikes, you will have immediate access to a state-of-the-art ER; lifesaving equipment —

including a new 64-slice CT Scanner; stroke, wound and chest pain centers of excellence; expanded patient capacity; upgraded patient comforts; and the most advanced personal care available in the region, on call, 24 hours a day, 365 days a year.

Join the cause.

Emergencies happen with regularity. To secure the future of emergency care for all, the HealthAlliance/Kingston Hospital Campus needs your donation. The Kingston Hospital Foundation has been raising funds to improve and expand patient care and facilities for The Kingston Hospital since 1982. Your earmarked pledge to the ER campaign will help fund everything from medical equipment to expanded services to patient needs.

An accident is the last thing on your mind. With your donation, advanced emergency care will be too. Please consider making a pledge through The Kingston Hospital Foundation to the new Emergency Department expansion.

Donate three ways: (a) use the attached A New ER Donation Form; (b) online (www.FoundationUpdate.org); or (c) by contacting the Foundation directly: 845.334.2760. The Kingston Hospital Foundation is a 501(c)3 organization. All donations are tax-deductible to the fullest extent allowed by the law.

A New E.R. Donation Form

Two ways to give:

1. Visit www.FoundationUpdate.org, select 'MAKE A GIFT,' and donate any amount. It's easy and secure.
2. Complete this form and (a) enclose your check made out to The Kingston Hospital Foundation or (b) fill out the credit card section below, and mail to:
